WORK EXPERIENCE

QUASAR DIGITAL SOLUTIONS

Web Development Internship | [Certificate](#)

BHOPAL, MADHYA PRADESH, INDIA

I gained valuable web development experience during my internship at Quasar Digital Solutions, where I actively contributed to multiple projects. My responsibilities included coding, debugging, and collaborating with team members to deliver functional web solutions.

AUXES IT SOLUTIONS

Full Stack Development | [Certificate](#)

BHOPAL, MADHYA PRADESH, INDIA

I completed another internship as a Full Stack Developer at AUXES IT SOLUTIONS, where I gained practical experience in developing APIs, handling production-level tasks, debugging, and collaborating with the team to build real-world web applications.

PROJECTS

E-COMMERCE WEBSITE | [Link: quick-pick-5e6b.onrender.com](https://quick-pick-5e6b.onrender.com)

Developed a fully dynamic e-commerce website that delivers a realistic shopping experience to users. Integrated secure user and admin login systems using Node.js, Express, and MongoDB enhancing functionality and overall user experience.

IT COMPANY WEBSITE | [Link: api.auxes.in](https://api.auxes.in)

Developed the AUXES IT company website as a project during my internship, focusing on developing a modern and user-friendly interface. This project marks my first officially hosted website, showcasing my expertise in web design, usability, and client satisfaction.

PIZZERIA | [Link: pizza-ria.onrender.com](https://pizza-ria.onrender.com)

I created a full-stack real-time pizza delivery website, Pizzeria, using Node.js, Express.js, and MongoDB. It includes features like user and admin login, registration, real-time pizza ordering, and an admin dashboard for order management.
